

## Next Steps and Planning Guide

A Guide for Putting the Information from this INNOpod to Use

Now that you've spent some time learning about Genius Hour, it's time to process what you've learned and plan for how you will use it. Review the Next Steps + Planning Guide. The information and ideas you have collected in the Reflection + Idea Pages will help you narrow your focus and prioritize your steps. Consider what you will try to implement in the next 30-60-90 days. Plan how you will share your thinking and planning with your instructional team.
